### P&C WELCOME

On behalf of the P&C I would like to welcome you all back to a new school year! The P&C are looking forward to working with you and giving back to the children and our lovely school community in 2021. We are in need of new faces on the P&C, so if you've ever wanted to be involved, please come along to our AGM. You'll meet a great bunch of like-minded parents doing the best for all the children. I wish you all a happy, healthy and successful 2021!

## CONTAINERS FOR CHANGE - SUPPORT GUILDFORD PRIMARY SCHOOL P&C

### What is "Containers for Change" (CFC) Program?

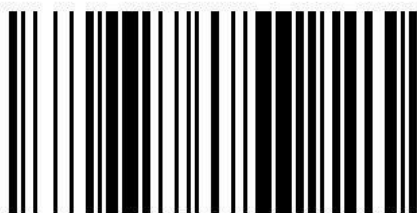

Containers for Change is a WA State Government initiative where households can collect eligible containers at home and obtain a 10c refund for them at registered refund points all across WA.

### How do I Support Guildford Primary School P&C when using the CFC program?

1. You can collect eligible recyclable containers at home. You can check your containers for eligibility at:  
<https://www.containersforchange.com.au/wa/how-it-works>
2. Take your containers to any registered refund point across WA. We have nearby depots in Midland and Bayswater. To find your closest refund point go to:  
<https://www.containersforchange.com.au/wa/where-to-return>
3. If you want to support the School's P&C, please provide the refund point with our Scheme ID (either just the number or the QR Code below).
4. An EFT for the proceeds of your deposit will go from the depot, directly to the Guildford Primary School P&C Association for use back into the school.

Please share our Scheme ID with friends and family so that we can get maximum support for the P&C.

Thanks for supporting the Guildford Primary School P&C Association and helping our environment at the same time!
