Dear Parent

Your permission is sought for the school to publish video or photographic images of your child and/or samples of your child's school work to be used by the school and the Department of Education. The purpose of using the images or work will be activities such as promoting the school, school events and student achievements.

Your child's image and/or school work may be published for the above purposes in a range of formats such as hardcopy and digital, including picture, audio and video file formats, and published to a range of media including but not limited to school newsletters, email, school and Department of Education intranet and internet sites and local newspapers.

The school will endeavour to limit identifying information that accompanies images of your child or child's work; however there will be occasions when your child's name, class and school may be published along with images.

At times, class projects may involve publication of images and/or videos through external providers. Teachers will contact families for permissions if special projects include sharing of student work, photos or video.

If you agree to this use of your child's image and school work please complete the consent below and return this whole permission form to the school.
